

## **Changes in Academic/Work Situation**

CES College may assist a student or employee requesting an academic/work situation change following an alleged report of domestic violence, dating violence, sexual assault or stalking incident. Changes may be made if they are reasonably available. While CES College does not have housing and while modes of transportation to the campus are generally voluntary, the school director may assist a student or employee to change a class, to work with instructors on “make up” assignments or tests if possible, change scheduling if feasible, etc. To request a student academic change or a work situation change please contact the school director.
